PEACE PARK REDEDICATION CEREMONY HONOURS NUNAVUT

Medicine Hat – The public is invited to participate in the 15th anniversary of the Peace Parks Across Canada Project Tuesday, Oct. 9.

A Rededication Ceremony will be held at noon in the Ross Glen Town Centre park located on Ross Glen Road SE near the Ross Glen Water Park.

The Parks and Outdoor Recreation department is participating by rededicating the park and planting a thirteenth tree to represent Canada's newest territory, Nunavut.

The Peace Parks Across Canada Project was initiated in 1992 to commemorate Canada's 125 birthday as a nation. A "Peace Grove" of 12 trees, representing Canada's 10 provinces and two territories, was an integral part of each park.

Since then, the project has grown to include over 450 Peace Parks around the world.
